Quick Wick® 2000

Quick Wick® 2000 is the Best Absorbent Floor Mat for Heavy Duty Fluid Control in the O.R.

✂ = Cost Cutting ⌚ = Time Saving

- ⌚ Extremely Effective — Perfect for high volume procedures, wicks up to 5 liters. One QW2000 does the job of a 20 lb. stack of messy, wet blankets.
- Unique Material — Made of the most super absorbent fibers available. Locks in fluids.
- ✂ Safety — Helps keep floors dry. Protect the staff from injuries.
- ✂ Infection Control — Fibers lock in fluids to alleviate the hazard of spreading contaminated fluids.
- ⌚ Easy to Use — No up or down, place it where you need it.
- ⌚ Quick Disposal — Folds up easily for faster O.R. turnover.
- Comfort — Extra thick floor mat acts as a cushion to reduce stress and strain.
- Low Profile — Lays flat to the floor and does not bunch up.
- ✂ Best Value — Saves money over laundry services and products that do not get the job done.
- Ergonomic Size — One super absorbent floor mat covers the length of the O.R. table.
