**Quick Wick® Barrier Back**

**Quick Wick® Barrier Back Absorbent Floor Mat with Tape for Heavy Duty Fluid Control in the O.R.**

✂ = Cost Cutting    ⌚ = Time Saving

- ⌚ Extremely Effective — Perfect for urology or high-volume procedures when barrier backing is needed. Wicks up to 5 liters.
- Unique Material — Made of super absorbent fibers. Locks in fluids.
- Smooth Edge Tape Feature — Perfect for rolling chairs.
- ✂ Safety — Helps keep floors dry. Protect the staff from injuries.
- ✂ Infection Control — Fibers lock in fluids to alleviate the hazard of spreading contaminated fluids.
- ⌚ Easy to Use — Place it where you need it and pull tape strips to secure.
- ⌚ Quick Disposal — Folds up easily for faster O.R. turnover.
- Comfort — Extra thick floor mat acts as a cushion to reduce stress and strain.
- Low Profile — Lays flat to the floor and does not bunch up.
- ✂ Best Value — Saves money over laundry services and products that do not get the job done.
- Large Size — One super absorbent floor mat covers enough area for 2 people to stand on.
